

SATURDAY MARCH 24TH – 4:30PM – CORNERSTONE MUSIC CONSERVATORY

REIMAGINING MUSIC

an interactive workshop

collaborative musicianship – improv – texture exploration

All instruments/voices and
ability levels welcome!

Bring a friend –
group discounts available!

Join Bob and the Astronauts for a unique, hands-on workshop empowering you to *free your perspective on sound, find your inner voice, and attain confidence in performance!*

WHAT TO EXPECT:

- opening **textural exploration** demo
- focused **spatial listening** exercise
- interactive group improv** activities (texture, sonorities, rhythms)
- hands-on intros to **sequencers/drum machines, Ableton Push/**
textural synth looping, effects pedals
- collective improvised texture-jam** amongst all participants

RSVP: 310-820-1620
or at [cornerstonemusic
conservatory.org/events](http://cornerstonemusicconservatory.org/events)
